Unit Championship Games

A Unit official applies for Unit Championship games at the web site shown above. There is a format specific to Unit game sanctions. Here's an actual sanction for Unit 547 as an example:

L1505547B

Breaking this down, we have:

L yy mm Unit# alpha, where

L = a fixed character, i.e. always starts with L

yy = 2 digits for the calendar year (leading zero if needed)

mm = a 2-digit month number (leading zero if a 1-digit month)

Unit# = a 3-digit Unit Number

alpha = an upper-case alphabetic character, starting with A, as a sequence number within the month

So, L1505547B = a sanction for a Unit (Championship) Game in 2015, the month of May for Unit 547 and it will be the 2nd such game in that month
