

## Deer Tick Alert

I hate people that forward too many warnings as much as anyone, but this one is important!

Send this warning to everyone on your e-mail list!

If someone comes to your front door saying they are conducting a survey on deer ticks and asks you to take your clothes off and dance around, do not do it!

IT IS A SCAM; they only want to see you naked.

I just wish I'd gotten this yesterday. I feel so stupid now.
