

How Was I Born

Cyrus asks: "Daddy, how was I born?"

Dad says: "Ah, my son, I guess one day you will need to find out anyway!

You see your Mom and I first got together in a chat room on MSN.

Then I set up a date via e-mail with your Mom and we met at a cyber-cafe.

We sneaked into a secluded room, where your mother agreed to a download from my hard drive.

As soon as I finished uploading, we discovered that neither one of us had used a firewall,

and since it was too late to hit the delete button,

nine months later a blessed little Popup appeared and said:

You've Got Male!"
