

## Mafia Lawyer

A Mafia godfather finds out his bookkeeper has screwed him for 10 million bucks. This bookkeeper is deaf. It was considered an occupational benefit and why he got the job in the first place as it was assumed a deaf bookkeeper wouldn't be able to hear anything he'd ever have to testify about in court.

When the godfather goes to shake down the bookkeeper for his missing \$10 million, he brings along his attorney, who knows sign language. The godfather asks the bookkeeper, "Where is the 10 million bucks you embezzled from me?"

The attorney, using sign language, asks the bookkeeper where the \$10 million is hidden.

The bookkeeper signs back, "I don't know what you are talking about."

The attorney tells the godfather, "He says he doesn't know what you're talking about."

That's when the godfather pulls out a 9mm pistol, puts it to the bookkeeper's temple, cocks it and says, "Ask him again!"

The attorney signs to the underling, "He'll kill you for sure if you don't tell him!"

The bookkeeper signs back, "OK! You win! The money is in a brown briefcase buried behind the shed in my cousin Enzo's backyard in Queens!"

The godfather asks the attorney, "Well, what'd he say?"

The attorney replies, "He says you don't have the guts to pull the trigger."
