the signup sheets)**

# **THURSDAY, JUNE 21 2018 SWISS TEAMS!**

**Join us for a Team Bridge Game!**

Your 4-person team will play a series of matches against other 4-person teams. In each match, one pair on your team sits North-South playing multiple boards against one pair on the opponent's team. The other pair on your team plays the same boards sitting East-West against the other pair on the opponent's team. Your scores are compared using International Matchpoints (IMPs) to determine who wins the match.
